MEMORANDUM FOR: Mr. Shepanek
O/SA/DO/O

FROM : Mr. Patrick L. Carpentier
Assistant Legislative Counsel

SUBJECT : HSCA Interviews of Tokyo Station/SR Division
Individuals (S)

1. (S) Michael Goldsmith, HSCA staff, called concerning the Committee's letter of 2 March 1978 and requested that the Committee will confine its interviews of persons assigned to the Tokyo Station only to those people that were then assigned to the SR Division. The remaining individuals listed can be completely disregarded.

2. (S) Goldsmith also requested that arrangements be made for staff investigator Harold Leap to interview those persons now serving in Headquarters who were assigned to the SR Division of the Tokyo Station in 1963. At this time we will arrange such interviews only for those persons who served in the SR Division during the months of November and December 1963.

3. (S) Will you please follow through and make the necessary arrangements. After the first group is interviewed, we will discuss this request with Goldsmith and Leap to determine whether or not it will be necessary to interview those people that were assigned to the Tokyo Station in 1963 prior to the assassination.
